

Association of Mathematics Teachers of New Jersey

Dear Vendor,

As AMTNJ President, I am very excited about our upcoming Two-Day Conference in Somerset. Our theme this year is **M³ Making Mathematics Meaningful**.

Our program booklet, which reaches about 1500 people, is already being developed. We mail out the booklet to every member and everyone attending the conference. Every year we offer our vendors the opportunity to advertise in this booklet. If your company or you are interested in placing an ad, we will be more than happy to include it in our book. The prices for ads are as follows:

| | |
|--------------|-------|
| Full page | \$700 |
| Half-page | \$400 |
| Quarter-page | \$250 |

We also have a limited amount of full page color ads- they are sold on a first come first serve basis. The ads are \$1250.00 and they are as follows:

- The Front inside cover
- The Back cover
- The inside of the Back Cover

We would also like you to consider an additional option. Sometimes vendors are willing to give away promotional items or discounts to get teachers to visit their booths. If you are interested in having a coupon printed for \$100.00, AMTNJ is seeking to put together a coupon sheet. This offer is available to the first 10 vendors who respond.

Since we are under a time constraint, if you are interested we must have a copy of your ad no later than June 10, 2008. An electronic submission (pdf) would be the best choice. Please email your ad to amtnj@juno.com. Please let us know at your earliest convenience if you would like to place an ad in our program booklet. If your company is sponsoring a speaker that you want to advertise, this would be a great place to do it. Your ad can specify your times and sessions, but please note that all sessions will be advertised under their time slots as well.

Thank you for your continued support of the Association of Mathematics Teachers of NJ.

Sincerely,
