

# BUTTON... BUTTON

## Who's got the button?

### Association of Mathematics Teachers of New Jersey 16<sup>th</sup> Annual Button Contest

Have your students design a SIMPLE button that is CATCHY and CREATIVE illustrating:

#### Factors

The winner will receive a grade appropriate calculator and the student's mathematics teacher will receive a free registration to the AMTNJ 2-day conference to be held October 2007

- 🍏 Design a button that illustrates this year's theme.
- 🍏 MINIMIZE the numbers and words used in your entry.
- 🍏 The shape of the button is a **2.5 inch square**. You may scale your entry up 200%, if needed.
- 🍏 The entry should be done in **BLACK ON A WHITE BACKGROUND**.
- 🍏 Incorporate the initials AMTNJ and the year 2007 in the button, but do not make them a prominent part of your design.
- 🍏 Submit EACH design on individual copies of the shape.
- 🍏 A MAXIMUM of TEN ENTRIES will be accepted from each school.

**DEADLINE:** All entries must be postmarked by May 4, 2007
